I feel it my duty to let you know what Swamp-Root did for me. I was bothered at times by back for over twenty years and I read your advertisement and decided to try Swamp-Root. Fraud Paint.

The worst mistake one is likely to make
in painting is wrong paint; it is easy to
make.

We all say "Ours is best"; and there
are 1000 of us. One is best; but a doz-
en are so near on a level that no one
knows, for sure, that his is the one.

The worst paints are the worst liars;
they know what they are, put on a bold
face, and brazen it out.

Their one true argument is low price;
but low-price paint is always, must be,
a fraud; it is made to cheat cheatable
people.

WOMAN WOULD
NOT GIVE UP

Though Sick and Suffering; At
Last Found Help in Lydia
E. Pinkham's Vegeta-
ble Compound.

Richmond, Pa. — "When I started
taking Lydia E. Pinkham's Vegetable
Compound I was in a
dreadfully rundown
state of health,
had internal trou-
bles, and was so ex-
tremely nervous and
prostrated that if I
had given in to my
feelings I would
have been in bed.
As it was I had
hardly strength at
times to be on my
feet and what I did do was by a great
effort. I could not sleep at night and
of course felt very bad in the morning,
and had a steady headache.
"After taking the second bottle I no-
ticed that the headache was not so bad,
I rested better, and my nerves were
stronger. I continued its use until it
made a new woman of me, and now I
can hardly realize that I am able to do
so much as I do. Whenever I know any
woman in need of a good medicine I
highly praise Lydia E. Pinkham's Vege-
table Compound." — Mrs. FRANK
CLARK, 3146 N. Tulip St., Richmond, Pa.

Women Have Been Telling Women
for forty years how Lydia E. Pinkham's
Vegetable Compound has restored their
health when suffering with female ills.
This accounts for the enormous demand
for it from coast to coast. If you are
troubled with any ailment peculiar to
women why don't you try Lydia E.
Pinkham's Vegetable Compound? It
will pay you to do so. Lydia E. Pink-
ham Medicine Co., Lynn, Mass.

Colds are Often Most Serious.
Stop Possible Complications.

The disregard of a Cold has often
brought many a regret. The fact of
Sneezing, Coughing, or a Fever should be
warning enough that your system needs
immediate attention. Certainly Loss of

given by nature. It is a man's duty to
himself to assist by doing his part. Dr.

A sluggish liver needs care.

Someone has said that people with
